CALCULATED TO AVOID THE USE of rasping cathartics. They weaken the bowels and leave them worse off than before. Use instead, that non-irritating, aperient and antispasmodic medicine, Dr. MOORE'S VEGETABLE LIVER PILLS, which will not only achieve the desired object, relaxation of the bowels, without causing pain or weakening them, but promote digestion and assimilation and deplete the blood. The pills are sold by S. M. Irwin, the Live Druggist. (16-d&w1w)

A New Enterprise.
Decatur is soon to have a typical Dutch wind mill similar to the one now in successful operation at Warrensburg, in this county. It is now partially constructed and will be erected on Theo. Hildebrandt's two-and-a-half acre field, one half mile north of the city on the Bloomington road. The mill at Warrensburg has been in operation a long time, grinding meal at five cents a bushel. It is taxed to its fullest capacity, and the farmers in that part of the county would not have it removed under any consideration. It was constructed by Hollanders who have settled near that place, and is built almost entirely of wood. It has a thatched roof, is run wholly by wind, and is a paying institution to the German owners. The same parties who built the mill at Warrensburg, as above stated, have been meeting with such success that they feel encouraged to establish one here. When the mill is in operation we will give our readers a more minute description of it.
A Diligent Surgical Operation.
For nearly a year Mr. James Humphrey, aged 60 years, a well-to-do farmer of Macon township, has been suffering from a painful tumor in the armpit of his left jaw. Dr. McLean, of Macon, was the attending physician, who did all he could for his patient, without removing the cause. The tumor grew in size until it was nearly as large as a walnut. It troubled the sufferer very much, interfering with the mastication of food, and causing great loss of sleep. Dr. McLean became alarmed for the life of his patient, and yesterday he summoned Dr. R. L. Walston, of this city, who, accompanied by Mr. James Moore, a student in Dr. Bumstead's office, went to Mr. Humphrey's residence, and inside of an hour the tumor was removed and the subject left in happy spirits, with the promise of many years of life and usefulness before him. It is one of the most difficult and successful surgical operations yet reported, and is only another evidence that Dr. Walston understands his business thoroughly. Mr. H. was placed under the influence of ether, and the tumor was removed by inserting instruments into the subject's mouth.
Volturino to the Front Again.
The Decatur running horse, Volturino, owned by S. Powers & Son, won another big race at Saratoga yesterday. He won the mile and a quarter dash in 2:10, coming under the wire ahead of the best horses in the country. Volturino is making a splendid record this season, and the newspapers of Illinois are continually singing his praises. He is entered for the races at Long Branch against horses that are acknowledged to be the very best on this continent. Theron Powers writes that Volturino never looked better in his life, and that if he wins the \$5,000 purse at Long Branch Decatur will be the home of the King of the Turf. Long live Volturino!
Litta's Route.
Manager Frank Haines, of this city, informs us that Litta will give concerts at the following named places, before joining the Strakosch opera company in the fall: Danville, August 27; Decatur, 28th; Springfield, 29th; Jacksonville, 30th. She will also sing in Quincy, probably on Sept. 1st, and at Peoria Sept. 5th, if arrangements can be effected. All arrangements are completed for the concerts at the places named, with the exception of Quincy and Peoria, and Mr. Haines does not anticipate any difficulty in securing halls and dates as the people everywhere are wild to hear the young lady sing.
Real Estate Transfer.
Instruments lately filed for record in the recorder's office:
John Thomas and wife to John A. and Fanny A. Brown, warranty deed to lot 2, block 4, in Decatur—consideration \$365.
James N. Odom and wife to A. A. Smith, warranty deed to 50 acres in Wheatland township—\$2,000.
Martin P. Murphy & wife to Julia H. Whitaker, warranty deed to lots 9 and 10 in block 9, in South Macon—\$50.
W. R. Walter and wife to Henry Hempstead, warranty deed to lots 11, 12, 13 and 14, in block 4, in Macon—\$11.30.
Tall Corn.
Farmer Andrew Walt, of Wheatland township, brought to the REPUBLICAN office to-day half a dozen stalks of corn taken from a 25-acre field that was without rain from June 14th to August 5th, nearly two months. The stalks are large and hardy, and the ears fully developed. The stalks are over 10 feet high. Mr. Walt says if anybody can beat this sample he would like to hear from him.
Temperance Meeting To-night.
The usual temperance meeting will be held at the tabernacle to-night, commencing at 7:45. Addresses will be delivered by local speakers and members of the reform club. Music will be furnished by a favorite quartette. It will be an interesting occasion, and the public is urged to be present in large numbers.
Pixie Up.
Tommy Andrews' billiard room will be open this evening, and at least two of the new tables ready for use. Tommy has put in six new Cullender tables, of his handsome patterns as were ever seen in Decatur. They are all iron frame tables, and the designs are strikingly beautiful. The room has been otherwise improved, and is a very tasty one in every respect.
A Chapter on Corsets.
Our corsets cannot be excelled in quality. Our corsets are equal to any that are sold in these parts. Our corsets are cheaper than the same grade of goods were ever before offered. We have a large and varied assortment of corsets as any house in Decatur. Come and look at our corsets. CHEAP STORE.

C. W. Pringle left for Chicago this noon. He will travel this season as the general agent for Sprague's Original Georgia Minstrels, who open at Joliet on Sept. 1. This company will appear at the opera house, in this city, about Sept. 18, and give a fine performance.
Chief Justice Peake, accompanied by Norman Pringle and Squire Harmon, of Long Creek, invaded Platt county yesterday and succeeded in killing a lot of the finest looking prairie chickens ever brought to this city.
E. B. Hamlin, of Chicago, is registered at the St. Nicholas. He is here for the purpose of securing some energetic person to conduct a Bell telephone exchange similar to the ones now in use at Bloomington and Peoria.
D. K. Smith, on the 14th, was promoted from master of transportation to the responsible position of general superintendent of the Illinois Midland railway. Mr. Smith is fully equal to his new responsibilities and honors, and has entered upon his duties with a full determination to succeed.
We are indebted to Mr. I. J. Davis for a full report of the two days' session of the Macon county Sabbath School Convention at Blue Mound. The sessions were of the deepest interest to the Christian workers in attendance, and all will go to work with renewed energies to teach the young Bible truths.
John Bird is the only colored man in Decatur who draws a pension from the government—\$36 a year. Yesterday he received a draft for \$206.50, being the full amount of his back pension, and now John is going about telling his friends that he is so glad he didn't go off to Canada during the war.
Charley Winebrenner, Decatur's prize runner, got home from the Sullivan fair yesterday. They were afraid to tackle him over there, and consequently he failed to get a race. He struck a party that wanted to enter for a six-hour go as you please walk, purse \$25; but said party didn't have the sand to put up, and Charley came home.
Mr. Jacob B. Shroll, of Andraia county, Mo., is here visiting the friends he knew in years long gone. He spent most of the week with his brother, William Shroll, of Illinois township, and will remain in the county some time. Mr. S. is accompanied by his wife, who is a sister of Jackson Fisher and of Mrs. Henry May, of this city.
Rev. Dr. Goodwin, pastor of the First M. E. church in Decatur, exchanged pulpits with Dr. Leaton last Sunday, and preached two very practical sermons to the people of Clinton. Mr. Goodwin does not mince matters in his preaching, and tells homely truths in a very independent manner. His visit to Clinton was timely and was well received.—Clinton Public.

THE CHRISTIAN WORKERS.
Annual Session of the Macon County Sabbath School Convention at Blue Mound.
Second and Last Day's Proceedings.
MORNING SESSION.
BLUE MOUND, Aug. 16, 1879.
The morning session was opened by singing "Come, Holy Spirit."
Rev. Chew then opened a thirty minutes' devotional service by reading the 34th Psalm. The attendance was largest at the beginning of the session, and much interest and earnestness was manifested.
Song, "Hallelujah I'll Sing."
The topic for consideration for the first hour was *Primary Classes*.
Rev. R. M. Sargent made a short talk to the children, which was listened to attentively.
J. R. Mason, President of the third S. S. district of Illinois, then made an address to the children, illustrated by anecdotes and scraps of personal experience in the work. The interest in this address was very marked and general.
Singing, "Behold a Stranger at the Door." Additional remarks and anecdotes were given by Rev. R. M. Sargent.
Rev. Reynolds then gave experience in methods of teaching Sunday school lessons.
The second topic, *Our work furnished with lessons for intermediate and adult classes*, was introduced by Rev. J. B. Colwell, who emphasized the desirability of always having a regular or systematic course of study, such as is provided by the International S. S. Lesson Committee.
Rev. Reynolds made a few additional remarks on manner of questioning.
The question of Reviews was opened by C. T. Wells of Wheatland. The most practical method to make our reviews interesting, is to select some one who is adapted to conduct such services and hold him responsible for the faithful discharge of that duty. A very successful method to interest the schools in these reviews is to have competitive examinations conducted by a committee appointed for that purpose.
By request Prof. Lutz sang a solo, "Where is Thy Refuge."
J. R. Mason—My custom is to set the lesson, show connection with other lessons, devote five minutes in individual classes in a review before taking up the regular lesson of the Sabbath, use the blackboard, and commence on the first Sabbath of the quarter to prepare for the quarterly review. If we have Normal classes, the difficulties in making our quarterly reviews interesting will be materially lessened.
W. T. Beadles—I regard review days the most important of all. By weekly and monthly, as well as quarterly reviews, the new interest may be secured.
"Qualified Teachers," by Rev. G. M. Gooden—A qualified teacher will have a lively appreciation of these three things: (1) The end to be attained. (2) That the Word is the power of God unto salvation. (3) That he must have in his heart divine love.
After singing "All Praise," and a few announcements by the secretary, the morning session closed with a benediction by the president.
AFTERNOON SESSION.
Thanksgiving and praise service of 30 minutes conducted by J. R. Gorin.
The secretary called the roll of townships for the purpose of ascertaining the number having township S. S. organization. Fourteen of the 17 townships of the county reported such organization.
J. R. Mason announced that a convention of the third S. S. district would meet at Paxton, Oct. 22, 23, 1879, and urged this county to send a full representation to that important meeting. He also stated that \$5.00 was expected from this county to assist in defraying the expenses of that convention.
An able address of about an hour's length was delivered by Brother Mason from the subject, "Our Work Promoted." Work and faith go hand in hand; the true worker will have faith. The secret of banner counties is to have a corps of officers who are zealous workers. Much may be done by organization and the use of S. S. picnics; but in all work we need to look beyond to Jesus. There is in most men a master principle, to which, if we are faithful, we shall fulfill life's mission. Christ was and is the best ideal. Today Illinois is the banner S. S. State. Next year the world's S. S. Centennial will be held in London, England. God's claims to our service are prior to all else. Let a message go from each of our hearts to heaven consecrating our lives to the Master.
It was decided that the county executive committee elect delegates to attend the district convention.
A collection was taken to assist in defraying the expenses of the district convention.
By request Prof. Lutz sang, "Is my name written there?"
Report of committee on nominations was as follows:
Delegates to State Convention—J. R. Gorin, J. H. Crocker, A. F. Hopkins, Geo. E. Murehouse, A. A. Gastman, Wm. E. Nelson, D. B. Schellabarger and S. M. Lutz.
Officers—President, J. R. Gorin; Vice-President, J. Schudel; Recording Sec'y, J. J. Davis; Statistical Sec'y, Milton Johnson; Treasurer, Geo. E. Murehouse; Executive Com. J. R. Gorin, E. A. Gastman, W. T. Wells, A. Litsinger and W. T. Beadles.
Township Vice Presidents—S. Overmyer, Decatur; Geo. Conard, Wheatland; Jas. Shay, Macon; D. Patterson, Pleasant View; J. H. Sleeter, Blue Mound; Davis Masters, Harrisburg; T. A. Prechtl, Clinton; H. C. Funk, Milan; George K. Johnson, Austin; E. J. Roberts, Illinois; H. Crocker, Macon; D. S. Weigle, Hickory; D. K. Wilson, Friends Creek; Mrs. McCoy, Oakley; Milton Clark, Long Creek; Wm. M. Henry, Mt. Zion; J. F. Schoch, Whitmore.
The report was adopted.
The following resolutions reported by the committee were unanimously adopted:
WHEREAS, We have met in convention again as S. S. workers, and by divine

guidance and wisdom our meeting has been a grand success; therefore
Resolved, That the gratitude of this convention is hereby gratefully expressed to the Father of us all for the success which has crowned our efforts thus far, and the assurance the blessed Master has given us as we go forth teaching, "Lo, I am with you always, even unto the end of the world."
Resolved, That we hereby covenant with each other anew to renew our efforts and be more faithful in the great work and labor of love in which we are engaged, our hearts fired with new zeal for the salvation of souls.
Resolved, That we reiterate and fully endorse the preamble and resolution adopted at the State S. S. Convention held at Bloomington in May last, in regard to the desecration of the Sabbath.
Resolved, That this convention recommend a systematic temperance organization in each S. S. in this county.
Resolved, That the thanks of this convention are hereby tendered to the citizens of Blue Mound for the cordial hospitality which they have extended to us in opening their hearts and homes to receive us.
Resolved, That we tender our thanks to the trustees of the M. E. church for the use of their house on this occasion.
Resolved, That we tender our thanks to the president of this convention for the impartial manner in which he has discharged his duties.
Resolved, That our thanks are hereby tendered to Prof. Lutz, Mrs. Smith and J. H. Sleeter and wife, for their valuable services as directors and assistants in the music on this occasion.
D. K. Wilson made a few very impressive remarks touching the adoption of the resolution of consecration to the work of the Master.
Rev. J. B. Colwell offered the following, which was unanimously adopted:
WHEREAS, Since our last annual meeting it has pleased Almighty God to call from labor to reward our Bro. Rev. J. W. Ballinger; therefore
Resolved, 1st, That while we bow submissively to the will of God in this dispensation of His providence, we regret our loss in his removal and will cherish in our memories his noble character.
Resolved, 2d, That to his wife and friends we tender our sincere sympathy in this their affliction.
Resolved, 3rd, That the secretary be instructed to forward to Mrs. Ballinger a copy of these resolutions.
The committee on place of next meeting reported in favor of Wheatland. Report adopted.
The last 45 minutes of the convention was spent in a praise service. A rich spiritual blessing came to many hearts. After reading of appropriate Scripture selections and the reading of a poem by Bro. Mason, the convention adjourned, with prayer by Rev. D. O. Gillin.

THE PATRONAGE
Of experienced and economical housekeepers is given to Porter & Gamble's Multi German Soap, because they find it always reliable, and of the uniform strength and purity. The extent of this "patronage" may be estimated by the fact that more of Porter & Gamble's Waterless German Soap is sold by the retailers or of homes than of any two other brands. Water easily penetrates Soap made of questionable materials, which weakens and softens them. PORTER & GAMBLE'S BOTTLED SOAP is made of the purest and best materials, and is of the best quality.
